RE: Amax Inc. - Climax Molybdenum  
EPA ID No. IAD000222653

Dear Mr. Anderson:

This letter is to approve your request to have the above identified facilities removed from the hazardous waste management system. This approval is based on your February 24, 1983 annual report. If sometime in the future you do intend or inadvertently generate or store regulated quantities of hazardous waste, please contact this office.

This letter constitutes final amendment approval from the Iowa Department of Environmental Quality and Federal EPA authorities. Your EPA Identification Number remains unchanged.

If you have questions, please contact this office.

Sincerely,

Re: Hazardous Waste Notification 1983

Dear Mr. Evans,

We are returning the completed Form #4 for the 1983 notification. We wish to keep our EPA hazardous waste identification number in case future hazardous wastes are generated and for use when disposing of other wastes.

If you have any questions, please contact me.

Sincerely,

Thomas E. Anderson, P.E.  
Environmental Control Engineer
